# LETTER FROM THE CHANCELLOR

Dear Educators,

As we enter the third year of *A Capital Commitment*—our district's five-year plan to dramatically accelerate student achievement—and the sixth year of implementing IMPACT, I am deeply proud of the progress we've made. I want to thank you—the educators working in our schools—for your great work.

DCPS has made tremendous improvements over the past three years on everything from the DC CAS and the NAEP TUDA, to increased student enrollment, reduced truancy rates, and improved satisfaction. While I am proud of these accomplishments, I am not yet satisfied. The fact is that we have made progress *and* still have a lot left to do.

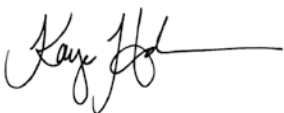

**First, we need to continue to invest in our middle and 40 lowest-performing schools.** We have already invested over \$40 million in funding to ensure that students receive rigorous academic content, focusing in particular on the Common Core, and a wide range of opportunities from choir and art to world languages and algebra. These funds are also critical to addressing the social and emotional needs of our students and to extending the school day so that students in our lowest-performing schools have time for remediation and exploration.

**Second, we need to do more to ensure our students feel excited and supported at school.** We dedicated \$5 million to helping schools improve student satisfaction so that every student, regardless of income, ward, grade level, or language ability, will get exposure to the amazing classroom that is our city. We also introduced the Proving What's Possible Student Satisfaction Awards to help schools provide more enrichment and experiential learning opportunities for students this year.

**Lastly, we need to do everything we can to continue building the best educator force in the nation.** Our workforce has never been better. This is because we have made serious, sustained investments in educator effectiveness through IMPACT, IMPACT*plus*, and LIFT to name a few. Still, we need educators to become even better. The next phase of this work will focus on scaling up teacher leadership initiatives, finding new ways to recognize and reward great work, and further targeting development opportunities.

I am incredibly honored to work with you as we relentlessly move ahead to meet our bold goals. Success will depend on our collective commitment to ensuring all students receive a quality education.

Sincerely,

Kaya Henderson

Chancellor, District of Columbia Public Schools

## CAPITAL COMMITMENT GOALS

1. At least 70% of our students will be proficient in reading and math, and we will double the number of advanced students.

2. Our 40 lowest-performing schools will increase proficiency rates by 40 percentage points.

3. At least 75% of incoming ninth graders will graduate from high school in four years.

4. 90% of students will say they like their school.

5. We will continue to increase student enrollment.

# PUTTING GROWTH FIRST

## How does IMPACT support my growth?

The primary purpose of IMPACT is to help you become more effective in your work. Our commitment to continuous learning applies not only to our students, but to you as well. IMPACT supports your growth by:

- **Clarifying Expectations** — IMPACT outlines clear performance expectations for all school-based employees. We have worked to ensure that the performance metrics and supporting rubrics are clear and aligned to your specific responsibilities.
- **Providing Feedback** — Quality feedback is a key element of the improvement process. This is why, during each assessment cycle, you will have a conference to discuss your strengths as well as your growth areas. You can also view written comments about your performance by logging into your IMPACT account at <http://impactdcps.dc.gov>.
- **Facilitating Collaboration** — By providing a common language to discuss performance, IMPACT helps support the collaborative process. This is essential, as we know that communication and teamwork create the foundation for student success.
- **Driving Professional Development** — The information provided by IMPACT helps DCPS make strategic decisions about how to use our resources to best support you. We can also use this information to differentiate our support programs by cluster, school, grade, job type, or any other category.
- **Retaining Great People** — Having highly effective teachers and staff members in our schools helps everyone improve. By mentoring and by serving as informal role models, these individuals provide a concrete picture of excellence that motivates and inspires us all. IMPACT helps retain these individuals by providing significant recognition for outstanding performance.

IMPACT reflects our belief that everyone in our system plays a critical role in improving student outcomes. With an outstanding teacher in every classroom and excellent staff members throughout our schools, our students will graduate prepared for success in college, the workforce, and life.

For further information about job-specific resources and professional development designed to help you grow, see the *Supporting Your Success* section at the end of this guidebook.

# GROUP 11: OVERVIEW

## Who is in Group 11?

Group 11 consists of all school-based social workers.

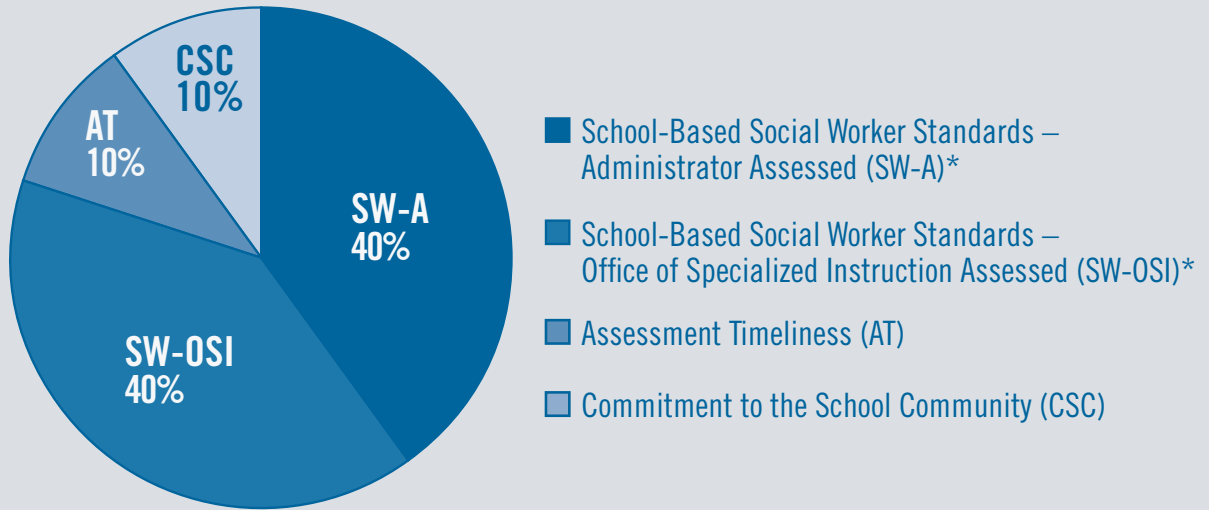

## What are the IMPACT components for members of Group 11?

There are five IMPACT components for members of Group 11. Each is explained in greater detail in the following sections of this guidebook.

- **School-Based Social Worker Standards – Administrator Assessed (SW-A)** — These standards define excellence for school-based social workers in DCPS. This component makes up 40% of your IMPACT score.
- **School-Based Social Worker Standards – Office of Specialized Instruction Assessed (SW-OSI)** — These standards define excellence for school-based social workers in DCPS. This component makes up 40% of your IMPACT score.
- **Assessment Timeliness (AT)** — This is a measure of the extent to which you complete your assigned assessments within the timeframe and in accordance with the rules established by the DCPS Office of Specialized Instruction. This component makes up 10% of your IMPACT score.
- **Commitment to the School Community (CSC)** — This is a measure of the extent to which you support and collaborate with your school community. This component makes up 10% of your IMPACT score.
- **Core Professionalism (CP)** — This is a measure of four basic professional requirements for all school-based personnel. This component is scored differently from the others, which is why it is not represented in the pie chart. For more information, please see the Core Professionalism section of this guidebook.

## IMPACT COMPONENTS FOR GROUP 11

*\* The School-Based Social Worker Standards – Administrator Assessed (SW-A) and the School-Based Social Worker Standards – Office of Specialized Instruction Assessed (SW-OSI) components will expand to replace components of the pie that cannot be scored.*

## What are the School-Based Social Worker Standards – Administrator Assessed?

These standards define excellence in school-wide support and collaboration and student-level assessment for school-based social workers in DCPS. They include:

- Standard 1: School-Wide Prevention, Intervention, and Consultation
- Standard 2: Service Coordination
- Standard 3: Student and Family Engagement

## Who developed the School-Based Social Worker Standards – Administrator Assessed?

The standards were developed in collaboration with DCPS school-based social workers, central office staff, and administrators. Per their guidance, the standards are based to a large extent on those established by the School Social Work Association of America (SSWA).

## How will my proficiency in the School-Based Social Worker Standards – Administrator Assessed be assessed?

Your administrator will assess your proficiency according to the rubric at the conclusion of this section. S/he will assess you formally two times during the year. The first assessment will occur by February 5 and the second by June 11. As part of each assessment cycle, you will have a conference with your administrator. At this conference you will receive feedback based on the School-Based Social Worker Standards – Administrator Assessed rubric and discuss next steps for professional growth.

## How will my proficiency in the School-Based Social Worker Standards – Administrator Assessed be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) rating for each standard of the rubric. Your standard scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle. At the end of the year, your assessment cycle scores will be averaged

together to calculate an overall score of 4.0 (highest) to 1.0 (lowest) for this component of your IMPACT assessment. See the sample score chart to the right.

Please note that, if you are shared between two schools, you will receive scores at each of them. These scores will then be averaged together to determine your final score for this component.

## How will school-based social workers who have earned Highly Effective ratings two years in a row be assessed this year?

School-based social workers who have earned Highly Effective ratings during both of the last two school years will receive two assessments during Cycle 1 — one by an administrator by February 5 and one by a program manager/specialist by February 5. If the average score from these two assessments is 3.0 or higher (on the 1.0 to 4.0 scale), the school-based social worker will not receive assessments for the rest of the year, unless requested by the school-based social worker. If the average score is below 3.0, the school-based social worker will continue on the normal assessment schedule.

Please note that school-based social workers who are shared between two schools will receive an assessment by each of their administrators by February 5. These scores will then be averaged together, along with the score from the first program manager/specialist assessment, to determine whether shared school-based social workers are eligible for a reduced number of assessments this year.

## If I have earned Highly Effective ratings two years in a row and qualify for reduced assessments this year, may I request to receive the full set of assessments available to staff members in my IMPACT group?

Yes. After Cycle 1 ends, the IMPACT team will notify you via email if you will be receiving reduced assessments. At that point, you may log into the IMPACT database at <http://impactdcps.dc.gov> to indicate that you would like to receive your remaining assessment(s).

Timely completion of assessments is critical to ensuring that our students receive all the services they need. Furthermore, it is required by federal law.

**How will my Assessment Timeliness be calculated?**

This component measures several aspects of your work as a member of a school community: 1) your support of your school's local initiatives; 2) your support of the Special Education and English Language Learner programs at your school; and 3) your efforts to promote high academic and behavioral expectations. For teachers, this component also measures two other aspects: 4) your partnership with your students' families; and 5) your instructional collaboration with your colleagues.

## LEVEL 1 (LOWEST)

Teacher **rarely or never** engages students' families as valued partners in an effective manner.

Teacher **rarely or never** collaborates with colleagues to improve student achievement in an effective manner.

### What is Core Professionalism?

This component measures four basic tenets of professionalism: 1) having no unexcused absences; 2) having no unexcused late arrivals; 3) following the policies and procedures of your school (or program) and the school system; and 4) interacting with colleagues, students, families, and community members in a respectful manner.

### How will my Core Professionalism be assessed?

Your administrator (or program supervisor) will assess your Core Professionalism according to the rubric at the conclusion of this section. S/he will assess you two times during the year. The first assessment will occur by February 5 and the second by June 17.

At the end of each cycle, you can view your final Core Professionalism rating in the IMPACT database (<http://impactdcp.dc.gov>). While a conference to discuss your Core Professionalism rating is not required, you are encouraged to reach out to your administrator with any questions or concerns.

### How will my Core Professionalism be scored?

Unlike the other rubrics in IMPACT, there are only three levels for Core Professionalism: Meets Standard, Slightly Below Standard, and Significantly Below Standard.

If you consistently receive a Core Professionalism rating of Meets Standard (and you receive no ratings of Slightly Below Standard or Significantly Below Standard), your overall score for this component will be Meets Standard and you will see no change in your final IMPACT score. This is the case in the sample score chart below.

If you receive a rating of Slightly Below Standard on any part of the Core Professionalism rubric during a cycle (and you receive no ratings of Significantly Below Standard), you will receive an overall rating of Slightly Below Standard for that cycle, and ten points will be deducted from your final IMPACT score. An additional ten points will be deducted if you earn an overall rating of Slightly Below Standard again the next cycle.

If you receive a rating of Significantly Below Standard on any part of the Core Professionalism rubric during a cycle, you will receive an overall rating of Significantly Below Standard for that cycle, and twenty points will be deducted from your final IMPACT score. An additional twenty points will be deducted if you earn an overall rating of Significantly Below Standard again the next cycle.

Please note that, if you are shared between two schools, the lower of your two Core Professionalism ratings for each cycle will be used for your final IMPACT score.

For more information about the scoring process, please see the Putting It All Together section of this guidebook.

# SUPPORTING YOUR SUCCESS

## What resources are available to help me be successful?

Professional development is critical to our success as a school system. After all, the best schools are those focused on the learning of children *and* adults. This is why providing educators with outstanding support is a top district priority.

Below you will find more information about job-specific resources and learning opportunities designed to help you improve your practice.

### FOR SCHOOL-BASED SOCIAL WORKERS

The Office of Specialized Instruction provides discipline-specific professional development to all school-based social workers designed to equip them with current best practices for school settings. During district professional development days, sessions focus on topics ranging from IEP development to evidence-based interventions for supporting students and families. All school-based social workers also participate in monthly, small-group case conferences. For more information, visit the RSP page on the Educator Portal+.

School-based social workers are also invited to take advantage of sessions available through PD Planner as well as professional development offerings coordinated by the Washington Teachers' Union, including workshops on the education of exceptional children, school-family connections, and other relevant topics.

Additionally, the School Social Work Association of America (<http://www.sswaa.org>) shares professional development publications online including technical assistance manuals, articles, and guides related to Response To Intervention (RTI) and other best practices. The National Association of Social Workers (<http://www.naswdc.org>) hosts teleconferences and provides a variety of helpful resources.

### PD PLANNER

PD Planner is an online catalog of professional development opportunities that enables DCPS educators to target support where they need it most. Educators can browse offerings and register for workshops presented by DCPS and the Washington Teachers' Union. At the conclusion of a training course, a certificate of completion can be submitted for recertification credit, as applicable, with the Office of the State Superintendent of Education (OSSE). Visit PD Planner at <http://dcps.schoolnet.com>. Instructional coaches or principals can provide login information.

## EDUCATOR PORTAL+

The Educator Portal+ is an online platform that provides educators with resources related to the adoption of the Common Core State Standards and the goals of the DCPS academic plan. Through the portal, DCPS educators can also access differentiated, high-quality professional development resources aligned to the Teaching and Learning Framework. Featured resources include:

- **Reality PD:** A video library of outstanding DCPS teachers in action, covering all nine Teach standards and a variety of grade levels and major subject areas
- **Teach Standard Resource Sets:** Self-assessments, high-impact instructional strategies, annotated resource lists, and other tools aligned to each Teach standard
- **Curricular Resources:** DCPS's scope and sequence documents, unit overviews, learning modules, and more

Access these resources and sign up for relevant events and announcements by visiting <http://www.educatorportalplus.com> and logging in using your DCPS email address (first.last@dc.gov) and e-mail password. Please contact [educator.portal@dc.gov](mailto:educator.portal@dc.gov) with any questions.

## FOR TEACHERS AND STAFF AT SPECIAL SCHOOLS

Catalyst Schools are organized around one of three curricular themes: 1) science, technology, engineering, and mathematics (STEM); 2) arts integration; or 3) world cultures. At these schools, experts from local and national partner organizations regularly provide in-depth training related to each school's focus area.

At International Baccalaureate (IB) Schools, specialized training is offered to support teachers and staff in implementing IB methods, with a focus on developing students' intellectual, personal, emotional, and social skills. The International Baccalaureate Organization also offers workshops and online training for teachers. More information is available at <http://www.ibo.org/events>.

## THE WASHINGTON TEACHERS' UNION

The Washington Teachers' Union (WTU) offers the Educational Research and Dissemination (ER&D) program, which includes research-based professional development courses held after school, on weekends, and during district professional development. Past courses have included: Beginning Reading Instruction; Making Data and Classroom Assessments Work for You; Organizing the Classroom for Teaching and Learning; Psychology and Education of the Exceptional Child; Response to Intervention; School, Family, Community: Supporting Student Learning; and Thinking Mathematics.

In addition, the WTU professional development office coordinates free, site-based professional learning opportunities designed to support local school improvement initiatives. For more information, please visit <http://www.wtulocal6.org>.

# PUTTING IT ALL TOGETHER

## What does this section explain?

This section is designed to help you understand how all of the components of your assessment will come together to form an overall IMPACT score and rating. The process involves five steps.

### Step 1

We begin by identifying your overall ratings for each component of your assessment. Recall that, for all components other than Core Professionalism, the score will always range from 4.0 (highest) to 1.0 (lowest).

### Step 2

We then multiply each component score by its percentage from the pie chart at the beginning of this guidebook. This creates “weighted scores” for each component. The chart below provides an example.

**SAMPLE SCORE**

COMPONENT	COMPONENT SCORE	PIE CHART PERCENTAGE	WEIGHTED SCORE
School-Based Social Worker Standards – Administrator Assessed (SW-A)	3.67	x 40	= 146.8
School-Based Social Worker Standards – Office of Specialized Instruction Assessed (SW-OSI)	3.38	x 40	= 135.2
Assessment Timeliness (AT)	3.70	x 10	= 37.0
Commitment to the School Community (CSC)	3.50	x 10	= 35.0
<b>TOTAL</b>			<b>354</b>

### Step 3

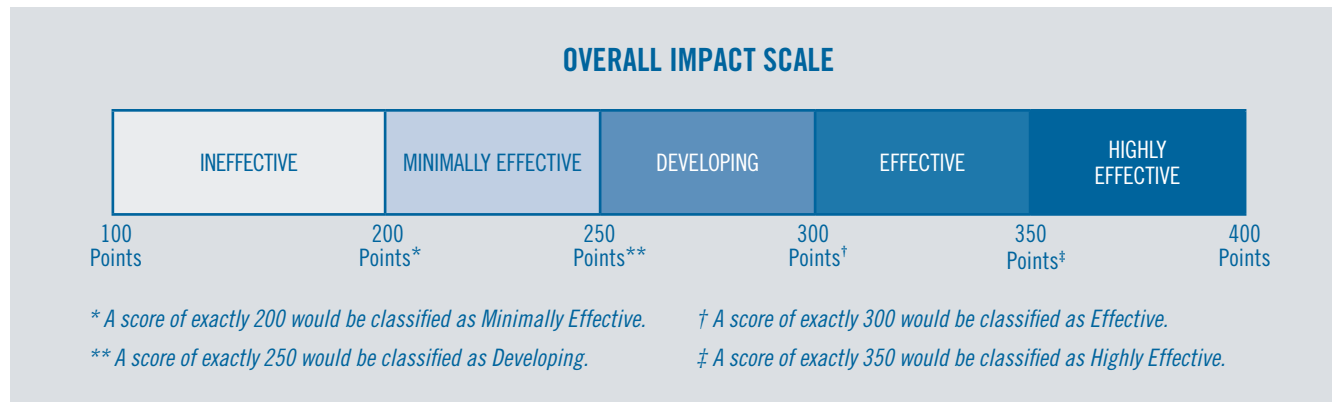

We then add the weighted scores to arrive at a total score. The total score will always be between 100 and 400.

### Step 4

We then adjust your total score based on your rating for Core Professionalism. If your rating for this component is Meets Standard for both cycles, then your total score remains unchanged. If not, then 10 points are subtracted from your total score for each cycle in which your rating is Slightly Below Standard, and 20 points are subtracted for each cycle in which your rating is Significantly Below Standard. In the example above, the individual’s rating for all cycles is Meets Standard, so no points have been subtracted.

## Step 5

Finally, we take your adjusted score and use the scale below to arrive at your final IMPACT rating.

Note: If you are not employed by DCPS for the entire year (for example, because you joined the school system partway through the year), or if, while employed by DCPS, you have an absence which causes you to miss one or more of your assessments, DCPS may at its discretion make adjustments to the IMPACT system to ensure that you receive a final IMPACT score for the year. These adjustments may include, among other things, changing deadlines,\* changing the number of assessments, and changing the type of assessment. Also, if unexpected circumstances interfere with the completion of one or more of your assessments, DCPS may nevertheless issue a final IMPACT score and consequences based on the remaining assessments. Finally, DCPS reserves the right to make any additional modifications to the IMPACT system during the school year. DCPS will provide notice of any such modifications prior to their implementation. (For the purposes above, “assessments” refers to observations, conferences, holistic reviews, data, and other means of measuring performance.)

\*Specifically, DCPS may, at its discretion, revise 2014-2015 cycle deadline dates in order to accommodate district-wide testing schedules.

## What do these ratings mean?

**Highly Effective:** This rating signifies outstanding performance. Members of the Washington Teachers' Union (WTU) who earn this rating will be eligible for additional compensation under the WTU contract.

**Effective:** This rating signifies solid performance. Individuals who earn this rating will progress normally on their pay scales.

**Developing:** This rating signifies performance that is below expectations. DCPS will encourage principals to prioritize these educators for professional development in an effort to help them improve their skills. If, after three years of support, an educator is unable to move beyond the Developing level, she or he will be subject to separation. In addition, educators who earn Developing ratings will be held at their current salary step until they earn a rating of Effective or Highly Effective.

**Minimally Effective:** This rating signifies performance that is significantly below expectations. As with Developing educators, DCPS will encourage principals to prioritize these educators for professional development in an effort to help them improve their skills. If, after two years of support, an educator is unable to move beyond the Minimally Effective level, she or he will be subject to separation. In addition, educators who earn Minimally Effective ratings will be held at their current salary step until they earn a rating of Effective or Highly Effective.

**Ineffective:** This rating signifies unacceptable performance. Individuals who receive this rating will be subject to separation from the school system.

Note: In very rare cases, a principal may recommend that an educator be separated more expeditiously than outlined above if the educator's performance has declined significantly from the previous year or if there is little evidence that she or he is improving. For example, a principal, in consultation with her or his instructional superintendent, may recommend that an educator who has earned two consecutive Developing ratings, but who has shown no signs of growth, not be provided with a third year for improvement. In these very rare cases, a principal will need the approval of her or his instructional superintendent to submit a recommendation for early separation. A three-member panel comprised of senior leaders in DCPS will review the recommendation and issue a decision. Teachers will have the right to appeal the panel's decision through the Chancellor's Appeals Process.

### If I have a concern about my rating, what should I do?

If you ever have a concern, we encourage you to contact the IMPACT team at 202-719-6553 or [impactdcps@dc.gov](mailto:impactdcps@dc.gov).

### **If I earn a Minimally Effective rating and then a Developing rating, will I have one more year to improve?**

Yes, you will have one additional year to improve your performance to Effective or Highly Effective. However, if you receive a third consecutive rating that is below expectations (i.e., Ineffective, Minimally Effective, or Developing), you will be subject to separation.

### **If I earn a Developing rating and then a Minimally Effective rating, will I have one more year to improve?**

No. In this case, your performance will have declined from below expectations (Developing) to significantly below expectations (Minimally Effective). As a result, you will be subject to separation.

### **What can I do if I disagree with my final rating?**

If you receive a final IMPACT rating of Ineffective, Minimally Effective, or Developing and you would like to appeal your rating, you may file a formal appeal to the Chancellor. A three-member panel comprised of senior leaders in DCPS will convene to review all appeals and provide a recommendation to the Chancellor who will make a final decision. More information regarding the Chancellor's Appeals Process and final IMPACT scores will be shared with eligible employees.

Note: Employees may have other appeals options available through their union's collective bargaining agreement and are encouraged to contact their union representative for more information.

## What is IMPACT*plus*?

IMPACT*plus* is the performance-based compensation system for Washington Teachers' Union (WTU) members.

## Why does DCPS have a performance-based pay system?

DCPS and the WTU agreed in the most recent teachers' contract to develop and implement a performance-based pay system because we felt it was essential to demonstrate — in the boldest way possible — how much we value the work you do. IMPACT*plus* is the product of this groundbreaking collaboration. We are proud that outstanding DCPS educators are now being paid what they deserve. In fact, some have seen their compensation more than double. We recognize that you did not choose to enter the field of education for monetary reasons. But we also recognize that you deserve to be compensated as true professionals.

## Who created IMPACT*plus*?

As noted above, DCPS and the WTU collaboratively developed the system. As part of this process, we examined compensation models from around the country.

## Who is eligible for IMPACT*plus*?

Any WTU member who earns an IMPACT rating of Highly Effective is eligible.

## How do I know if I am a WTU member?

All teachers, instructional coaches, mentor teachers, librarians, counselors, related service providers, and a handful of other educators are part of the WTU. If you are not sure about your status, please contact the WTU at 202-293-8600.

## How will I know if I receive a Highly Effective rating?

You can find out by logging into the IMPACT database at [impactdcps.dc.gov](http://impactdcps.dc.gov). If you need assistance logging in, please contact the IMPACT team at 202-719-6553 or [impactdcps@dc.gov](mailto:impactdcps@dc.gov).

## Do I need to be a “full” union member to be eligible for IMPACT*plus*, or is “agency fee” status enough?

You only need “agency fee” status to be eligible for IMPACT*plus*. To learn more about this status, please contact the WTU at 202-293-8600.

## How does it work?

For all WTU members who are not teachers, instructional coaches, or mentor teachers, *IMPACTplus* takes the form of an annual bonus. To qualify for the program, you must have an IMPACT rating of Highly Effective. With this rating, you will be eligible for an annual bonus according to the chart below.

YOUR IMPACT RATING	YOUR SCHOOL'S POVERTY LEVEL	YOUR BONUS
Highly Effective	High-Poverty	\$2,000
	Low-Poverty	\$1,000

### How do I know what my school's poverty level is?

Each school's poverty level is listed on the DCPS website at [dcps.dc.gov/DCPS/impactplus](http://dcps.dc.gov/DCPS/impactplus). If you work at more than one school, we will use the average of your schools' free and reduced-price lunch rates.

### Why do educators in high-poverty schools receive higher bonuses?

One of the goals of *IMPACTplus* is to help our highest-poverty schools attract and retain outstanding educators. This is why we are offering higher bonuses to the individuals who serve in these schools.

### If I retire at the end of the 2014–2015 school year, will I be eligible for the bonus?

Yes.

### Will the bonus count towards my pension calculation?

No.

### If I resign at the end of the 2014–2015 school year, will I be eligible for the bonus?

No. In addition to recognizing and rewarding excellent educators, *IMPACTplus* aims to retain them. Thus, to be eligible for the bonus, you must be employed by DCPS, or be a new entrant to the teachers' retirement system, at the time of the bonus distribution.

### If I am separated from the school system for disciplinary reasons, will I be eligible for the bonus?

No.

### If I am employed by DCPS for only part of the school year, will I receive the full bonus?

No. Assuming you are employed by DCPS (or are a new retiree) at the time of the bonus distribution, your bonus will be prorated according to the number of full months you worked during the school year in which you earned the Highly Effective rating.

### **Are there any conditions attached to accepting the bonus?**

Yes. After accepting the bonus, you will no longer have access to the “extra year,” early retirement, or buyout options if you are excessed in the future and cannot find a placement at another school. To learn more about these options, please consult the WTU contract (Section 4.5.5) at [wtulocal6.org](http://wtulocal6.org).

### **Am I required to accept the bonus?**

No. If you would prefer not to give up the “extra year,” early retirement, or buyout options related to excessing, you may forgo the bonus.

### **How will I communicate to DCPS whether I want to accept the bonus?**

Once final IMPACT reports are available, the IMPACT team will notify you via email if you are eligible for an IMPACT*plus* bonus. You will submit your acceptance decision by logging into the IMPACT database at [impactdcps.dc.gov](http://impactdcps.dc.gov). DCPS will provide more details at that time.

### **When will I receive my bonus?**

All bonuses will be paid by the end of the calendar year in which they are earned.

### **Will the bonus be subject to District of Columbia and federal income taxes?**

Yes.

### **If I earn a Highly Effective rating again next school year (2015–2016), will I be eligible for another bonus?**

Yes. You will be eligible every year that you earn a Highly Effective rating.

**If I have additional questions about *IMPACTplus*, whom should I contact?**

Please contact the IMPACT team at 202-719-6553 or [impactdcp@dc.gov](mailto:impactdcp@dc.gov).

# CONCLUDING MESSAGE

This system is called “IMPACT” because you, the adults serving in our schools, have the ability to make a dramatic, positive impact on our students’ lives. You are the most important lever of change in our school system.

Our strategic plan, *A Capital Commitment*, is an ambitious vision of what our collective impact will be by 2017, and it is our opportunity — as individual educators, as an entire school system, and as a broader community — to truly prove what’s possible.

While the goals we have set are bold, they represent what we can and must do, together, to ensure that our students receive a first-rate education that will open a world of possibilities for them.
